

LegalShield Now Available at Special Price

We are pleased to introduce Doug Little, an Independent Associate of LegalShield, who has arranged a special offering of their legal and identity theft protection plans to NGATN members and their families.

Colonel (Ret) Mark Johnson, a past president of NGATN and personal friend of Doug's, first suggested the possibility of offering LegalShield to Association members to handle civilian life issues. Doug has worked with the NGATN office over the past two years to bring this to fruition.
