12 March 2020

Bottom Line Up Front (BLUF): The NGATN Conference scheduled for 26-28 March 2020 is cancelled. It will not be rescheduled for this year.

The NGATN Executive Council met today to discuss the status of the upcoming NGATN Conference scheduled for 26-28 March 2020. After much discussion, the decision was made to cancel this year's event. This decision was arrived at after careful consideration surrounding the COVID-19 issue and the response from both federal and state agencies. Our primary concern is the health and welfare of our members and their loved ones. As you can imagine, this was not an easy decision to make, but this is unprecedented times in which we find ourselves. Thank you for your understanding and support.

We realize that this decision will impact travel plans for many of you. Our NGATN office will work the cancellation of room reservations and refund of your reservation fees will be sent out next week. Please call either JJ or Byron at (615) 833-9100 if you have any issues.

Col Jason Glass
President, National Guard Association of Tennessee
