

# TRICARE REIMBURSEMENT PROGRAM

Reimburses for Tricare Premiums

## What It Is

This program authorizes reimbursements for eligible service members who pay premiums for the TRICARE Reserve Select Program and TRICARE Dental Program

## Details

Reimbursements will be made after a premium has been paid, not before. The Reimbursement Program may only reimburse eligible TNG members for premiums paid for individual coverage through TRICARE Reserve Select and TRICARE Dental.

## Eligibility

TNG members who are actively serving may participate in the Reimbursement Program, though there are exceptions that make some TNG members ineligible for participation. Only premiums covering the service member are available for reimbursement at this time.

## Ineligibility

Members who are not eligible for TRICARE Reserve Select or TRICARE Dental, serving as full-time guardsmen, and/or currently enrolled in health or dental insurance coverage through a civilian employer.
